

Join NEA-Alaska/Retired: You spent your career as an educator and a member of NEA-Alaska, now, it's time to continue the commitment and join NEA-Alaska Retired. Membership in NEA-Alaska Retired offers amazing opportunities to stay involved in your association, a powerful advocate for your retirement security, and the full suite of NEA Member Benefits. As a member, you'll receive important newsletters and action alerts, the opportunity to run for elected office in our local, the chance to serve as a delegate to DA and RA, and the chance to attend NEA-Alaska conferences.

How it works: Whether you're an active NEA-Alaska member, or recently retired, there's a great membership option for you. Current NEA-Alaska members can sign up as Pre-Retired members right now, and you'll lock in your one-time dues at the current rate. Pre-Retired stay active with your current local until retirement when you'll enjoy a seamless transition into the NEA-Alaska Retired local. If you're joining after your career, simply select the payment option that works best for you. Dues payments are not deductible as charitable contributions for federal income tax purposes. Dues payments (or a portion) may be deductible as miscellaneous itemized deductions.
